

SMILE DIRECT CLUB (SDC) PATIENT

SUPPORT

If you are a former Smile Direct Club (SDC) patient, you may be aware that SDC has officially ceased with immediate effect operating in the UK, and also around the world.

LDP is not affiliated with SDC in any way, however we do understand that this decision will have left thousands of patients in the UK deeply concerned about their oral health and the next steps.

LDP cannot advise on the legal process or how you can seek a refund from SDC however we would like to do whatever we are able to, to help and guide those patients on their clinical options available.
